Robert Badalotti, a veteran Gold Coast property developer, is the founder and CEO of Azzura Investments Limited, established in 1989. With a successful 30-year career since arriving from Italy, Badalotti has developed over 3,500 residential properties on the Gold Coast. His unwavering dedication and visionary leadership have cemented his reputation as an industry heavyweight.

Azzura Investments Limited, under Badalotti’s helm, is known for iconic projects such as Wyndham Hotel, Mantra Wings Resort, and Azzura Greens Resort. Currently, the Badalotti name is dominating the Southport market with the landmark \$3.8 billion Imperial Square project. This development is set to reshape Southport’s CBD, positioning it as a new gateway to the city.

Nearing completion, the sold-out \$155 million first stage, Regal Residences, includes 225 luxury apartments across 18 levels, featuring two spectacular penthouses. Within this architectural masterpiece, residents will encounter a meticulously curated selection of dining establishments. Moreover, nestled within this opulent enclave lies the Regal Spa and Wellness Centre, boasting the rare Hammam Spa, a distinctive amenity on the Gold Coast.

Badalotti’s vision for Imperial Square includes the second stage, Monarch Place, a 40-storey tower offering 323 premium apartments, designed for opulent luxury living.

Monarch Place will also feature world-class dining offerings, a state-of-the-art medical precinct, a 10,500 sqm retail and commercial centre, a grand gala events room, music room, gym, cinema, restaurants, bar, arts and craft rooms, a library, and a golf simulator.

“As we embark on the second stage of Imperial Square, our vision is to create a transformative landmark that will redefine Southport’s CBD. Monarch Place will not only offer luxurious living spaces but also integrate essential retail and commercial services, ensuring residents have everything they need at their doorstep”, said Mr Badalotti.

“Our commitment to excellence and innovation drives us to continuously push the boundaries of urban development, creating vibrant, sustainable communities for future generations”.

Robert Badalotti works alongside his two sons, Fabrizio and Lorenzo, forming a formidable team in the property industry. His continuous drive and commitment to excellence and innovation show no signs of slowing down as he prepares to embark on the next phase of his landmark project.
